

Berry Mill

LAND CONSERVATION

“Preserving this open space with scenic shoreline, wetlands and upland amid Wolfeboro Falls’ built environment will benefit residents and visitors, human and animal alike.”

— Lenore Clark, Chair, Wolfeboro Conservation Commission

“Protecting this open space along the historic Bridge Falls Path is vital to connecting Wolfeboro Falls with downtown Wolfeboro and is a valuable resource contributing to our town.”

— Wolfeboro Falls neighbor and commercial property owner

PRESERVE AND PROTECT... FOREVER

- Save the Berry Mill 3.7 acre property
- Protect Back Bay and 2,200 feet of shoreline
- Preserve historic and cultural heritage including:
 - Probable Native American fishing site
 - Remains of an extensive mill complex
 - Setting of 1872 railroad line
- Protect open space and wetlands along Bridge Falls Path and Back Bay connecting Wolfeboro Falls to downtown Wolfeboro, Lake Winnepesaukee, Smith River, Crescent Lake and Lake Wentworth
